

New Horizons in Primordial Black Hole physics (NEHOP)

Wednesday, 21 June 2023

Session 10 (11:20 - 12:40)

-Conveners: Chair: Ninetta Saviano

time	[id] title	presenter
11:20	[46] Determining where primordial black holes form	YOUNG, Samuel
11:40	[61] Primordial Black Holes and the Tail of the Primordial PDF	MISHRA, Swagat Saurav
12:00	[62] Black Hole Explosions Beyond the Standard Model	BAKER, Michael
12:20	[19] Lyman- α constraints on the primordial black hole dark matter	PARASHARI, Priyank
