- Study hard.
- What others think of you is none of your business.
- It's OK not to have all the answers.
- Experiment, Fail, Learn and Repeat.
- Knowledge comes from experience.
- Imagination is important.
- Do what interests you the most.
- Stay curious

Enjoy the Workshop and the city!

**Registration should be closed today.
Second opportunity at 1st coffee break.
After that come to me, urgently.**
