Quantum Computing for High-Energy Physics

Wednesday, 20 September 2023

<u>**Session 5**</u> **- OC218 (09:00 - 10:30)**

time	[id] title	presenter
09:10	[7] Quantum State-Channel Duality for the calculation of Standard Model scattering amplitudes	ALTOMONTE, Clelia
09:40	[6] Do we have freedom of choice in high-energy experiments and why should we care?	ECKSTEIN, Michal
