### Lattice Physics - Ph30 (17:20 - 18:50)

time	[id] title	presenter
17:20	[17] Spectroscopy on the lattice using spectral density reconstruction.	FORZANO, Niccolo
17:50	[19] Towards interpretable machine learning with Restricted Boltzmann Machine	PARK, Chanju
18:20	[41] DK scattering and an exotic pole at the SU(3) flavour point using lattice QCD	YEO, Daniel
