

# New Horizons in Primordial Black Hole physics (NEHOP) -- '24

## Thursday, 20 June 2024

### Session 13 (09:00 - 10:30)

-Conveners: Chair: Yuber F Perez-Gonzalez

time	[id] title	presenter
09:30	[72] Scalar field fragmentation after inflation, oscillon formation and decay	MISHRA, Swagat Saurav
09:50	[61] Primordial black hole formation from a massless scalar field	PALLONI, Gabriele
10:10	[66] Dark Matter, Black Holes and Phase Transitions	BAKER, Michael
