

# Monte-Carlo support tools: future-proofing the bridge between theory and experiment

## Wednesday, 26 June 2024

### Event formats, content standardisation & reduction - OC218 (09:00 - 10:00)

time	[id] title	presenter
09:00	[6] Standardised core event record for HepMC	BUCKLEY, Andy
09:30	[9] Propagating spin correlations in the event record	SCHOENHERR, Marek

### Event formats, content standardisation & reduction - OC218 (10:30 - 12:00)

time	[id] title	presenter
10:30	[7] HDF5-based I/O for LHE/HepMC	
11:00	[8] HepMC/EDM4HEP synergies	PRICE, Alan

# Thursday, 27 June 2024

## Event formats, content standardisation & reduction - OC218 (10:30 - 12:00)

time	[id] title	presenter
10:30	[11] Data persistency formats for collider+neutrino physics	STOWELL, John

## Event formats, content standardisation & reduction - OC218 (13:00 - 15:00)

time	[id] title	presenter
13:00	[10] Interfacing to specialist tools/afterburners	
14:00	[12] MC utilities libraries	BUCKLEY, Andy
