

## **Session Program**

**2-4 Apr 2025**

**Monte-Carlo support tools: future-proofing  
the bridge between theory and experiment**

***Event formats, content standardisation &  
reduction***

IPPP, OC218

# Thursday 3 April

10:30

## Event formats, content standardisation & reduction

Session | Location: IPPP, OC218

10:30-11:15 **PID evolution**

### Speakers

Andy Buckley, Andy Buckley

11:15-12:00 **Decay reweighting**

### Speakers

Andy Buckley, Andy Buckley, Fernando Abudinén

12:00

13:00

## Event formats, content standardisation & reduction

Session | Location: IPPP, OC218

13:00-13:30 **Spin-handling of decays**

13:30-14:00 **Final-state radiation**

14:00
