

Session Program

15-17 Jul 2026

**Quantum Metrology and Fundamental
Physics - University Tübingen, Germany**

Friday morning 1

Friday 17 July

09:00

Friday morning 1 Session

09:00–09:45

Testing new — reasonable as well as crazy — forces with atoms and ions

Speaker

Joerg Jaeckel

09:45–10:30

Quantum many-body sensing

Speaker

Prof. Dr. Uwe R. Fischer

10:30
