

AM.DIRAC

AM.DIRAC day 27 March 2026

# AM.DIRAC

AM.DIRAC day 27 March 2026

## DIRAC PhD fellows, first cohort:

Harry  
Graham

- MPhys Theoretical Physics, Durham University;
- specialising in particle theory and collider physics
- Research experience in QED processes, photon–photon collisions, and quantum systems modelling

Ekrem  
Demiray

- Dual degrees (Physics Engineering; Electronics & Communication Engineering), Istanbul University
- Industry experience at Navio Technology & Baykar (fire-detection software; ML optimisation of OpenSFM)
- Grinter Fellow, PhD started at University of Florida;
- Relocated to the UK in 2024

# Team members

**Zara  
Graham-  
Jones**

**Martin Bauer**

**Frank Krauss**
