

# New ideas in hadronization: Intersections between QCD, AdS/CFT and the QGP

## Wednesday, 15 April 2009

### Hadronization 1 - OC218 (14:00 - 16:00)

time	[id] title	presenter
14:00	[0] Statistical Hadronization: A thermodynamical scenario	FRANCESCO BECATTINI
15:00	[1] Data testing Hadronization Models: Which data should be reproduced	KLAUS HAMACHER
