

# YETT'10; Window to the dark world, cosmology to LHC

## Wednesday, 13 January 2010

### Lectures 2 (09:00 - 12:30)

time	[id] title	presenter
09:00	[6] Seeing the high-energy universe	Prof. SARKAR, Subir
09:45	[7] Large-scale structure formation	Prof. FRENK, Carlos
10:30	[8] Coffee break	
11:00	[9] Finding dark matter candidates at the LHC	Prof. BARR, Alan
11:45	[10] The cosmic microwave background and what it tells us	Prof. LYTH, David
