

Session Program

24-26 Sept 2012

**Workshop on electroweak corrections for LHC
physics**

Experimental issues IV

IPPP Durham

Tuesday 25 September

14:15

15:30

Experimental issues IV

Session | Location: IPPP Durham

14:15–15:30 **Electroweak measurements at CMS (45'+15')**

Speaker

Kalanand Mishra
