

Session Program

24-26 Sept 2012

**Workshop on electroweak corrections for LHC
physics**

Theory III

IPPP Durham

Tuesday 25 September

11:15

Theory III

Session | Location: IPPP Durham

11:15-11:45

Electroweak radiative corrections for W-Pair Production at the LHC (25'+5')

Speaker

A Bierweiler

11:45-12:15

Corrections to Vj production (25'+5')

Speaker

T Kasprzik

12:15-12:45

EW Corrections to Higgs production (25'+5')

Speaker

A Mueck

12:45
