

Session Program

22-27 Sept 2013

RADCOR 2013

Higgs and resummation

Lumley Castle

Tuesday 24 September

16:30

Higgs and resummation

Session | Location: Lumley Castle | Convener: Bennie Ward

16:30–17:00 **Soft Gluon Effects in Four Parton Hard-Scattering Processes**

Speaker

Alessandro Torre

17:00–17:30

Higher-order soft and Coulomb corrections to squark and gluino production at the LHC

Speaker

Christian Schwinn

17:30–18:00

Threshold corrections to inclusive jet production at hadron colliders

Speaker

Chakravartula Meduri

18:00
