

Session Program

22-27 Sept 2013

RADCOR 2013

Multiloop

Lumley Castle

Thursday 26 September

14:30

Multiloop

Session | **Location:** Lumley Castle | **Convener:** Johannes Bluemlein

14:30–15:00

QCD thermodynamics at three loops: methods and results

Speaker

York Schroder

15:00–15:30

TF^2 contributions to 3-loop Deep-inelastic wilson coefficients

Speaker

Alexander Hasselhuhn

15:30–16:00

Top-quark pair production in a running mass scheme

Speaker

Matthew Dowling

16:00
