

# RADCOR 2013

## Friday 27 September 2013

### Higgs and resummation (11:30-13:00)

time	[id] title	presenter
11:30	[46] Comparisons of predictions from exact amplitude-based resummation methods with LHC and cosmological data	WARD, Bennie
12:00	[47] Progress on soft gluon exponentiation and long-distance singularities	GARDI, Einan
12:30	[48] Beyond Reggeization for two- and three-loop QCD amplitudes	MAGNEA, Lorenzo
