

Welcome

HEPData advisory board meeting

IPPP, Durham, 12.11.2014

www.ippp.dur.ac.uk

Members of Advisory Board

- Representatives from 4 LHC experiments:
Bill Murray (ATLAS), Henning Flaecher (CMS), Ulrik Egede (LHCB), Constantin Loizides (ALICE)
- Representatives from wide user community:
Kyle Cranmer (NYU), Matthew Wing (UCL)
- Representatives from Inspire
Sunje Dallmeier-Tiessen, Salvatore Mele
- IPPP people

Remit for external members

- Channel requests and suggestions from experiments, wider user base and Inspire
- Act as HEPData ambassadors – convince people to use and view

HEPData as persistent database for results of experimental particle physics beyond the lifetime of the experiment

Remit for today

- First meeting:
 - get up to speed (talks by Mike & Graeme)
 - first feedback from experiments
 - the Inspire angle
 - Discuss further funding by STFC

(deadline for proposal submission 29.1.2015)
