IOP Institute of Physics

- The IOP HEPP committee has funding available for a few half day meetings per year on any topic of interest to the HEP community in the UK.
- Applicants can apply for £500 to fund speakers travel, coffee and lunch if funding allows (attendees travel could also be funded from this but the maximum award is £500 total).
- We still have some funding available to cover half day meetings in 2015 so if you or anyone in your department have an idea for a meeting we encourage you to apply.
- To apply, email Melissa Uchida [<m.a.uchida@imperial.ac.uk>](mailto:m.a.uchida@imperial.ac.uk) & include:
 - Title, Venue, Organisers, Date (can be tentative)
 - Abstract: give a short abstract explaining the topic, remit and benefit of the meeting.
- Recent past Meetings Include:
 - Vector Boson Fusion (<https://indico.cern.ch/event/319965/>)
 - Higgs Physics, LHC extensions,
 - Neutrinoless Double Beta Decay,
 - The future of Long Baseline Neutrino Oscillation Experiments,
 - Dark Matter, Neutrino Interaction Physics (<http://pprc.qmul.ac.uk/research/nuintuk>).
