Higgs phenomenology I

Session | **Location:** Lumley Castle | **Convener:** Ramona Groeber

13:45–14:15 **Indirect probes of Higgs trilinear coupling**

Speaker

Martin Gorbahn

14:15–14:45 **A global view on the trilinear Higgs self-coupling**

Speaker

Stefano Di Vita

14:45–15:15 **Probing CP-violating Higgs and gauge bosons in SMEFT**

Speaker

Benjamin Fuks

15:15–15:45 **Exotic Higgs Decays and Axion Like Particles**

Speaker

Martin Bauer
