## **Full GR Cosmic String Dynamics**

*Thursday 11 January 2018 16:50 (10 minutes)*

In this talk I will give a very brief introduction to the field of Numerical Relativity and how it can be applied to get full GR Cosmic String simulations.

### **What would be the preferred length of your talk?**

10 minutes + questions

**Author:** Mr AURREKOETXEA, Josu C. (King's College London)

**Presenter:** Mr AURREKOETXEA, Josu C. (King's College London)

**Session Classification:** Session VI
