

10th Anniversary Special Edition

Friday 12 January 2018

Session VIII: Neutrinos (11:00-12:30)

time	[id] title	presenter
11:00	[38] Baryons and Simulations	Mr RICHINGS, Jack
11:10	[3] Long-lived Heavy Neutrinos from Higgs Decays	Mr LIU, Wei
11:30	[32] Lepton Number Violating Interactions and Neutrino Matter Oscillations	Mr BOLTON, Patrick
11:45	[19] Prospects for detecting eV-scale sterile neutrinos from a galactic supernova	Mr FRANARIN, Tarso
12:10	[6] Predicting the Right-Handed Neutrino Masses From the Littlest Seesaw and Leptogenesis	Mr ROWLEY, Sam
