

Session Program

4-7 Sept 2018

IRN Terascale

General Session

IPPP Durham, OC218 (IPPP building 2nd floor)

Tuesday 4 September

11:00

General Session

Session | **Location:** IPPP Durham, OC218 (IPPP building 2nd floor)

11:00–11:30 **Heavy Neutrinos: Prospects at Colliders for Experiment and Theory**

Speaker

Dr Richard Ruiz

11:30–12:00 **Precision Simulations for the Energy Frontier**

Speaker

Prof. Frank Krauss

12:00–12:30 **Latest results from cosmological simulations of MW-like galaxies**

Speaker

Prof. Carlos Frenk

12:30
