

Session Program

6-9 Jan 2019

YETI 2019 - To Infinity and Beyond: New Techniques for New Physics

Future experiments (non-colliders)

Monday 7 January

10:00

Future experiments (non-colliders): Neutrino Physics

Session | Location: | Convener: Teppei Katori

10:00–11:00

Future experiments (non-colliders): Neutrino Physics

Speaker

Teppei Katori

11:00

11:30

Future experiments (non-colliders): Muon g-2

Session | Location: | Convener: Gavin Hesketh

11:30–12:30

Future experiments (non-colliders): Muon g-2

Speaker

Gavin Hesketh

12:30
