

Session Program

12-13 Sept 2019

PPAP Community Meeting 2019

Neutrinos and non-accelerator physics

the University of Birmingham, Watson Lecture Theatre

Friday 13 September

13:10

Neutrinos and non-accelerator physics: Presentations

Session | **Location:** The University of Birmingham, Watson Lecture Theatre A

13:10–13:40 **Current and near term neutrino programme in Japan**

Speaker

Dave Wark

13:40–14:10 **Current and near term neutrino programme in America**

Speaker

Prof. Stefan Soldner-Rembold

14:10–14:25 **Neutrinoless double-beta decays**

Speaker

Dr Steve Biller

14:25–14:55 **Dark Matter**

Speaker

Christopher McCabe

14:55
