

# 13th International Workshop on Top-Quark Physics (TOP2020)

## Monday, September 14, 2020

### Plenary session (4:30 PM - 6:30 PM)

-Conveners: Wolfgang Wagner

time	[id]	title	presenter
4:30 P	[M]	Top-pair and single-top differential cross sections and unfolding techniques	HEINZ HINDRICHS , Otto
5:00 P	[M]	NNLO QCD corrections to differential top-pair production with the $\overline{MS}$ mass	CATANI, Stefano
5:30 P	[M]	Measuring SM parameters with top-quark cross sections	DEFRANCHIS, Matteo
6:00 P	[M]	Bottlenecks in precision top-quark measurements	VECCHIO, Valentina
