

13th International Workshop on Top-Quark Physics (TOP2020)

Tuesday, September 15, 2020

Plenary session (2:00 PM - 4:00 PM)

-Conveners: Maria Aldaya

time	[id]	title	presenter
2:00 PM	M9	Event generator set-up and definition of modelling uncertainties	AMOROSO , Simone
2:30 PM	M10	Theoretical issues in event generation	FERRARIO RAVASIO , Silvia
3:00 PM	M11	Off-shell vs on-shell modelling of top quarks in photon associated production	WOREK, Malgorzata
3:30 PM	M12	Measurements of top-quark production in association with gauge bosons	OSPANOV, Rustem
