

15th International Workshop on Top-Quark Physics (TOP2022)

Thursday, 8 September 2022

Top and flavour physics in the collider era (theory mini-workshop) - Scarborough Lecture Theatre (CG93) (09:00 - 10:30)

-Conveners: Melissa van Beekveld

time	[id] title	presenter
09:00	[42] CP violation for the heavens and the earth	Prof. HOU, George
09:30	[43] CP of the top quark Yukawa	SMOLKOVIC, Aleks
10:00	[44] The flavour of UV physics	Dr VAN DYK, Danny
