

15th International Workshop on Top-Quark Physics (TOP2022)

Thursday, September 8, 2022

Top and flavour physics in the collider era (theory mini-workshop) - Scarborough Lecture Theatre (CG93) (11:00 AM - 12:10 PM)

-Conveners: Ennio Salvioni

time	[id] title	presenter
11:00 AM	[45] Top FCNC interactions	Dr NEBOT GOMEZ, Miguel
11:30 AM	[46] Composite unification and top physics	Prof. JAEGER, Sebastian
12:00 PM	[70] YSF make-up talk: Charge asymmetry in top-pair production with the ATLAS detector	ECKEROVA, Barbora
