

# 15th International Workshop on Top-Quark Physics (TOP2022)

## Thursday, 8 September 2022

**Top and flavour physics in the collider era (theory mini-workshop) - Scarborough Lecture Theatre (CG93) (11:00 - 12:10)**

-Conveners: Ennio Salvioni

time	[id] title	presenter
11:00	[45] Top FCNC interactions	Dr NEBOT GOMEZ, Miguel
11:30	[46] Composite unification and top physics	Prof. JAEGER, Sebastian
12:00	[70] YSF make-up talk: Charge asymmetry in top-pair production with the ATLAS detector	ECKEROVA, Barbora
